1. Which industry-specific pathway are you pursuing your RWA, RWP or SR/WA under?

Generalist

Transportation

Electric & Utilities

Oil & Gas

Next, please email this form to your Chapter Professional Development Committee (PDC) Chair for initial review and approval. If your chapter does not have a PDC Chair, please email the form directly to IRWA Credentialing Manager Francis Vicente at [vicente@irwaonline.org](mailto:vicente@irwaonline.org).

Once approved, your Chapter PDC Chair will email the form to Francis Vicente. After your declaration of candidacy has been approved, it is strongly recommended that you request verification of your right of way experience and formal education from your PDC Chair or through the [Credentialing Concierge](#).

You must complete the coursework, right of way experience and formal education requirements for all three levels, as well as the capstone exam requirement for the SR/WA within the five (5) year candidacy period from Dec. 31, 2022.

If you feel that you will not be able to complete all the requirements by then, we strongly recommend that you migrate to the new Professional Right of Way Certification Program.

I hereby certify that all of the information provided on this form is, to the best of my knowledge, true and correct. I will be in a violation of the Ethical Policy if I knowingly misrepresent myself.
